- o Appoint a Health and Safety coordinator
- o Sign and return a copy of the attached Parts 1 & 2 Health & Safety Declaration Form attached by return. Please note that if this form is not signed and returned by the due date this could lead to possible delays or exclusion from the exhibition area for the set up and subsequently the participation of the event.
- o If employing a stand contractor, ask to see their contractors' Risk Assessment specifically designed for the unique exhibition environment. Ask for staff training record, accident statistics, take up references, ask to see proof of previous work standards - in short, satisfy yourself that your contractors are reliable and competent.
- o Produce a Risk Assessment for your activities on-site and a suitable Method Statement and submit these to Warwick Corporate Events Ltd along with your stand designs; Contact details can be found at the bottom of the form.

- o Plan your time during build-up and breakdown within the exhibitor access times. Often venues have tight turnaround times, we cannot offer nor guarantee extended access times to build your stand.
- o Review your findings after the show to discover areas, which need attention, where accidents occurred and take the appropriate action for the future.

Please fill out and return the Health and Safety Declaration by **Monday 12th June 2017** either by email to Abi on exhibitionorders@wce.co.uk or by fax 0845 351 0396
